

# Mt Gravatt District Rep Sport Opportunities 2024

Students born 2012 and 2013 (and talented 2014 born) have an opportunity to trial for various team and individual sports within the Mt Gravatt District and Met East Region sporting arena.

Students should be talented in their sport, play regularly at a club level and demonstrate commitment to training and development.

These trials are not the 'have-a-go' type and schools are obliged to nominate appropriately, so the selection process can be successfully managed.

Trials are offered throughout Terms 1, 2 and 3 for a range of sports (see below).

Please email Ms Lang, [llang2@eq.edu.au](mailto:llang2@eq.edu.au) if you would like your child to be considered in this nomination process for a chosen sport(s).

- Netball
- Touch football
- AFL
- Football
