To ensure your child's device is ready for school, please set up **'Focus'** to create a *school* and *home configuration*. Home apps should not be able to be accessed by students during school hours.

iMessage **must be restricted** during school hours.

Please also consider adding some restrictions via **'ScreenTime'** to manage content and screen access.

- All students require the listed core apps.
- Some of the apps come ready installed on a new iPad.
- Other apps are paid apps, but if using [Family Sharing](#), can be purchased only once for the whole family.
- Students can access the Microsoft Suite of apps for free by downloading the apps and signing in with their Department of Education (DoE) username and password.
- Please ensure the apps are organised according to the listed folders.
- All free apps will be available for download within the **InTune Company Portal** app.
- Paid apps will need to be purchased through the App Store.
- InTune will also enable your child's device to automatically set up and configure with EQ's WiFi profile.
